

The Prez Sez:

Our club hosted a successful Mid-Winter Conference this weekend at the Hampton Inn. A special thanks goes to Martha Dobson for her hard work. The social on Friday night was well attended by members of our club and their spouses. We also hosted approximately 30 of our fellow district Exchange Club members on Saturday morning. The speakers were excellent. I would have liked for more of our club members to have attended the Saturday session and hope you will take the opportunity to attend future training sessions. Bob and Martha Dobson, as well as Sara and I, attended the full Saturday session. Fellow member and Jacksonville Mayor Johnny Smith attended the Friday social and also had a welcoming speech Saturday morning at the conference. Sonja Parris was able to attend part of the Saturday event. The conference ended at noon and 31 of us went to the Village Inn for lunch. We had our award banners on display and our guests also enjoyed looking at our plaques of past presidents and Golden Deed winners.

Our next meeting is this Thursday, January 28, at 11:30 a.m. at the Village Inn. I hope to see you there.

Yours in Exchange,

Bill
